B Series Keypad Overview
Choose from standard LCD keypads, a color graphical LCD touch screen or ATM-style keypads. Models are also available for fire alarm applications.

**Bosch keypads feature:**
- Highly-visible status indicators
- User-adjustable options such as volume and brightness
- Simple menu-style user interface
- Dedicated function buttons for common commands, including status indication
- Simple installation with self-locking base and chassis, lift-gate terminal strips, and built-in bubble level
- Audible tones from the keypad sounder alert personnel to fire events and assist fire fighters in locating the keypad
